Dear Mr Allen,

Pursuit Minerals Limited – Request for Voluntary Suspension

Pursuit Minerals Limited (the **Company**) (**ASX:PUR**) requests an immediate voluntary suspension of trading in its securities.

In accordance with Listing Rule 17.2, the Company provides the following information in relation to the voluntary suspension request:

- (a) the voluntary suspension is sought to allow the Company to lodge a prospectus and make an application to the Federal Court of Australia seeking declaratory relief and ancillary orders relating to prior trading in certain shares while those shares remained subject to secondary trading restrictions under the Corporations Act 2001 (Cth). While the Company has received no complaints about such sales it intends to rectify the error via an application to the Federal Court;
- (b) the Company requests an immediate voluntary suspension of trading in its securities and anticipates that the suspension should remain in place until the Federal Court Orders are made which the Company anticipates will take approximately 2 months to obtain; and
- (c) the Company is not aware of any reason why the voluntary suspension should not be granted.
